

2nd
**NEPAL ELECTRIC,
POWER AND LIGHTS**
INTERNATIONAL EXPO 2023

01-02-03
SEPTEMBER 2023

Bhrikuti Mandap, Kathmandu,
Nepal

*Unleashing
the Latest Technology In
the **Electric, Power** and **Lights** Industry*

About *Nepal Electric, Power And Lights International Expo 2023*

2nd Nepal Power, Electrical, and Lights International Expo 2023 presents the latest innovations in power, electrical, and lighting solutions.

By connecting industry professionals and enthusiasts worldwide, our expo fosters collaboration and propels progress in the ever-evolving energy landscape.

We go beyond traditional exhibitions, creating an immersive experience that values human connections. Our goal is to unite like-minded individuals passionate about sustainable energy solutions. Through networking, knowledge-sharing, and business opportunities, we lay the foundation for fruitful partnerships that contribute to a greener future.

We Discover cutting-edge technologies and innovative solutions meticulously curated by our dedicated team of professionals. From renewable energy sources to smart grids and intelligent lighting systems, witness the transformative power of human innovation firsthand. Engage with industry leaders, explore interactive displays, and gain insights into the latest advancements, all under one roof.

Join us at the 2nd Nepal Power, Electrical, and Lights International Expo 2023, where visionaries, engineers, entrepreneurs, and policymakers come together. Together, we can shape a world with reliable, affordable, and sustainable power solutions, empowering communities and illuminating the path towards a brighter tomorrow.

Nepal Electric, Power & Lights International Expo 2023

Focused Sectors

**THE INCREDIBLE OPPORTUNITY
TO LEARN, GROW, AND NETWORK.**

Unleash Your Potential and Harnessing Growth In:

- ▶ Cable & Switch Gears
- ▶ Smart Meters
- ▶ Smart Grid
- ▶ Power Electronics
- ▶ EV Ecosystem
- ▶ Rail
- ▶ Battery Storage Value Chain
- ▶ Green Hydrogen
- ▶ Solar Energy
- ▶ Waste to Energy

COUNTLESS POSIBILITIES ARE READY TO UNFOLD

Strengthening the core through Reliability, Quality and Safety of electrical products and equipment

New business opportunities with capital investments in Railways, Metro, Airports, Defense, Smart Cities and EV ecosystem

Strengthening the Supply Chain through vendor development in Small, Medium and Micro Industries

Perforation by the Start-Ups

Innovation & Future technologies in storage Green Hydrogen, Fuel Cells, AI, IoT

Sustainability through Energy Conservation, Net Zero Smart Consumption

Right Skilling Talent Upgrading & Industry Academia INTERCONNECT

UNLIMITED OPPORTUNITIES AT 2nd NEPAL **ELECTRIC, POWER AND LIGHTS** INTERNATIONAL EXPO

AS AN EXHIBITOR

- ▶ Display your latest machinery, technology, products & services.
- ▶ Brand building among industry and end users.
- ▶ Explore new business and investment opportunities.

AS A SPONSOR

- ▶ Benefit from an ideal time, place and opportunity to get noticed.
- ▶ Enhance your leadership status.
- ▶ Project a long lasting brand image to a targeted audience.

AS TRADE VISITOR

- ▶ Find about the latest technology, machinery and services available in the market.
- ▶ Find about sources of investments & funding.

and Much More to Explore...

WHY EXHIBIT?

- ▶ Market Access to the Growing Nepalese Power, Electric, and Lighting Sectors
- ▶ Networking Opportunities With Industry Professionals, Government Officials, and Potential Partners
- ▶ Increased Brand Exposure and Recognition Among a Targeted Audience
- ▶ Product Showcase to Demonstrate Features, Benefits, and Capabilities
- ▶ Gathering Market Intelligence and Insights on Current Trends and Demands
- ▶ Competitive Advantage by Positioning Your Company as an Industry Leader
- ▶ Potential for Collaborations, Distribution Agreements, and Joint Ventures

WHY VISIT ?

- ▶ Engage with the exhibitors who are showcasing the latest products in the field of Electricals, Lighting, Power, Energy and Allied Industries.
- ▶ Partnership with new suppliers, buyers and business partners looking to do business.
- ▶ Network with the various professionals from the Electric sector who will be attending the show.
- ▶ Discover thousands of products on display and evaluate competing solutions in Electric across all categories.
- ▶ Explore innovative and cost effective solutions to benefit your business.
- ▶ Stay up-to-date with the latest trends in Electric and gain new ideas to advance and grow your business.

EXHIBITOR'S PROFILE

- ▶ Advanced Metering Infrastructure (Ami)
- ▶ All Types Of Generators
- ▶ Aquarium and Aquatic Lighting
- ▶ Architectural and Decorative Lighting
- ▶ Batteries
- ▶ Breakers
- ▶ Calibration Tools and Equipment
- ▶ Capacitors and Resistors
- ▶ Circuit Breakers and Fuses
- ▶ Custom Lighting Solutions and Installations
- ▶ Daylighting Systems and Light Pipes
- ▶ Display and Showcase Lighting
- ▶ Distribution Panels and Systems
- ▶ Electrical Connectors and Terminals
- ▶ Electrical Testing Equipment
- ▶ Energy Management and Monitoring Systems
- ▶ Energy Meters and Monitors
- ▶ Energy Storage Solutions (Batteries, Fuel Cells)
- ▶ Energy-efficient Lighting Products
- ▶ Fiber Optic Lighting Solutions
- ▶ Fire Detection and Alarm Systems
- ▶ Grounding and Lightning Protection Systems
- ▶ Harmonic Filters
- ▶ Home Automation Systems
- ▶ Human-machine Interfaces (Hmis)
- ▶ Hvac (Heating, Ventilation, and Air Conditioning) Automation
- ▶ Hydroelectric and Geothermal Systems
- ▶ Industrial and Commercial Lighting Systems
- ▶ Industrial Robots And Robotic Systems
- ▶ Insulators
- ▶ Inverters and Converters
- ▶ Lamps and Bulbs
- ▶ Lampshades and Light Covers
- ▶ Led Lighting Fixtures
- ▶ Light Bulbs and Replacement Parts
- ▶ Lighting Connectors and Adapters
- ▶ Lighting Controls and Sensors
- ▶ Lighting Design and Visualization Software
- ▶ Lighting Design Services and Consultants
- ▶ Lighting Fixtures Made From Eco-friendly Materials
- ▶ Lighting Mounting and Installation
- ▶ Accessories
- ▶ Lighting Project Management Services
- ▶ Lighting Retrofit and Upgrade Services
- ▶ Maintenance and Repair Services
- ▶ Microgrids and Islanding Solutions
- ▶ Motor Control Centers
- ▶ Motors and Drives
- ▶ Multimeters and Oscilloscopes
- ▶ Power Cables and Accessories
- ▶ Power Converters
- ▶ Power Factor Correction Devices
- ▶ Power Factor Correction Equipment
- ▶ Power Line Towers and Poles
- ▶ Power Plant Construction and Engineering Services
- ▶ Power Quality Analyzers
- ▶ Power Quality Analyzers
- ▶ Power Quality Management Software
- ▶ Pumped Hydro Storage
- ▶ Safety Equipment For Power Installations
- ▶ Safety Switches and Enclosures
- ▶ Scada (Supervisory Control and Data Acquisition) Systems
- ▶ Security and Access Control Systems
- ▶ Smart Lighting
- ▶ Smart Lighting and Energy Management Solutions
- ▶ Solar Panels and Systems
- ▶ Solar Panels and Systems
- ▶ Stage and Event Lighting
- ▶ Streetlights and Outdoor Lighting Solutions
- ▶ Surge Protectors and Voltage Suppressors
- ▶ Switchgears & Switches
- ▶ Testing and Calibration Equipment
- ▶ Thermal Energy Storage Systems
- ▶ Thermal Imaging Cameras
- ▶ Training And Education Services In The Power Industry
- ▶ Transformers

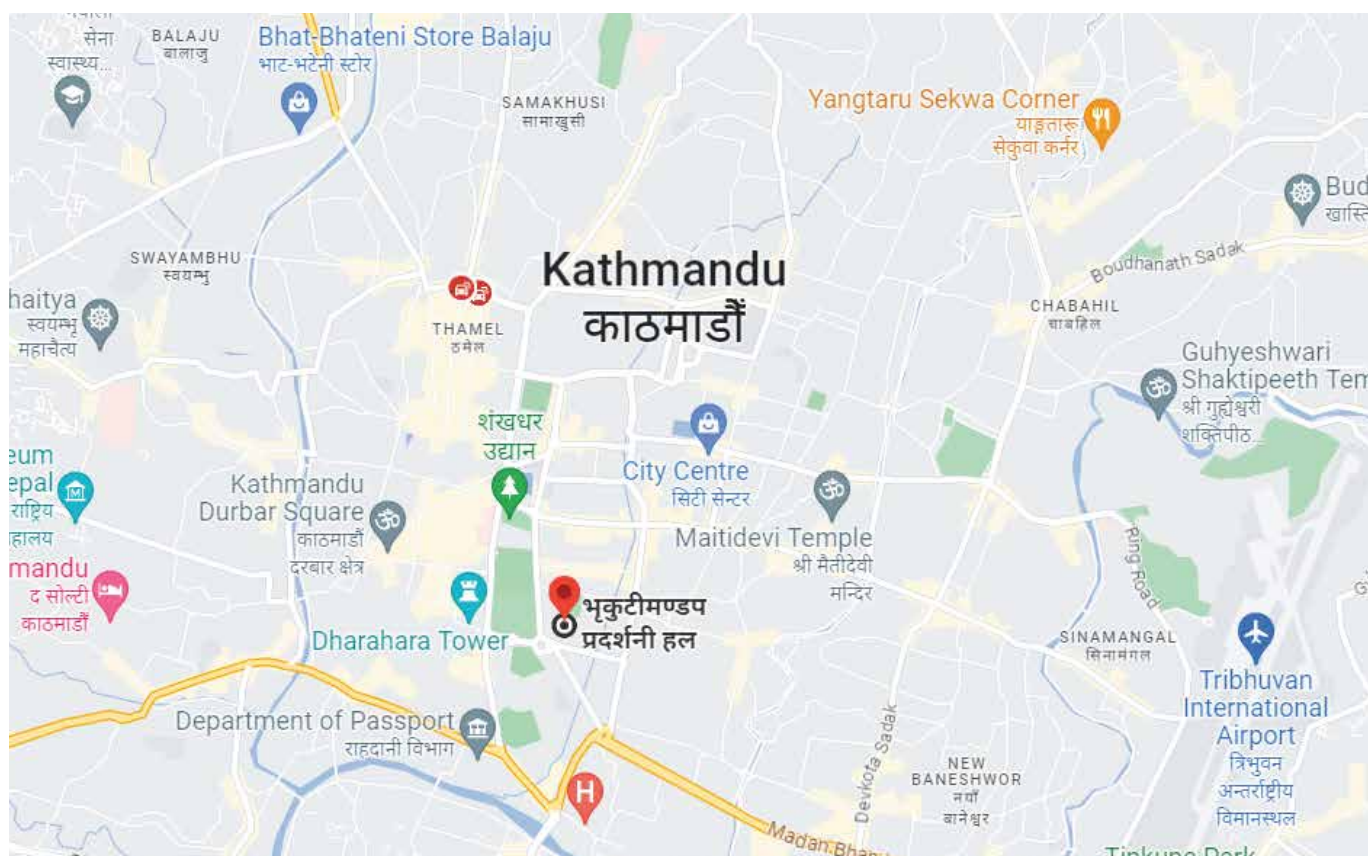

VISITOR'S PROFILE

- ▶ Banks, Financial Institutions & Project Financiers
- ▶ Building Owners and Managers
- ▶ Consultants
- ▶ Consumers Seeking Information About Energy-saving Products and Solutions
- ▶ Corporates
- ▶ Developers
- ▶ Distributors Of Electrical Equipment and Components
- ▶ Electrical and Lighting Engineers
- ▶ Electrical and Lighting Retailers
- ▶ Electrical Contractors
- ▶ Electrical Equipment Manufacturers
- ▶ Electrical Trading Companies
- ▶ Electricians and Technicians
- ▶ Energy Efficiency Retrofit Specialists
- ▶ Energy Storage System Providers
- ▶ Energy, Facility, Sustainability & Operations Managers
- ▶ Government Bodies
- ▶ Government Officials Involved In Infrastructure Planning and Development
- ▶ Homeowners Interested In Energy-efficient Solutions and Smart Home Technologies
- ▶ Importers
- ▶ Lighting Designers
- ▶ Lighting Fixture Manufacturers
- ▶ Lighting Installers
- ▶ Policy Makers
- ▶ Power Generation Equipment Suppliers
- ▶ Power Plant Operators
- ▶ Power System Engineers
- ▶ Power System Installers and Integrators
- ▶ Power Transmission and Distribution Equipment Suppliers
- ▶ Renewable Energy System Installers
- ▶ Renewable Energy System Suppliers
- ▶ Start-ups & Global Companies With Large-scale Energy Projects
- ▶ Subcontractors
- ▶ Wholesalers and Manufacturers

About Venue

BHRIKUTI MANDAP EXHIBITION HALL, is the popular exhibition hall which is located in Kathmandu, Nepal. This event venue is named after the Bhrikuti Mandap temple, which is located next to it. It is a multi-purpose venue which is used for various events including exhibitions, trade fairs, cultural events and conferences. It has a large exhibition area where a significant number of exhibitors and visitors can be accommodated. This exhibition hall is well equipped with the modern facilities such as Wi-fi, air conditioning, audio-visual equipment and ample parking space for visitors and exhibitors. It is easily accessible by public transport and is located in the heart of the city. Over the years, it has hosted numerous exhibitions, events including the Kathmandu Food Festival, the Nepal International Trade Fair and many more.
